Victoria

A symbol of functional bathroom design reimagined for contemporary living.

Roca

Renovating a bathroom in your own home or in a public building is an exciting opportunity to create a bespoke space to suit your individual requirements. Adapting to the changing demands of modern living, Victoria returns with a fresh and contemporary look.

Washbasins & Furniture

With an emphasis on improved ergonomic design and a new colour palette, Victoria's redesigned washbasins and furniture meet different needs in terms of style and functionality.

Integrated colour handle

Centred ceramic washbasin

Flat shelf, perfect for small everyday objects

Victoria's sleek and practical design prioritises convenience, with a flat shelf for toiletries or decorative items, compatibility with pedestals to conceal all plumbing and effortless replacement of existing installations.

Organiser in top drawer for small items

The redesigned furniture units seamlessly blend function and style, featuring integrated colour handles, asymmetrical solutions, and a variety of finishes.

Available in two or three soft close drawers

Five colour finishes:

Matt White | Sage Green | Onyx | Light Ash | Walnut

Complete Your Space

Choose elements from different collections to match your washbasin and furniture.

Luna Mirror

The Luna mirror has a modern and youthful design. It is a versatile addition to any space. You can easily pair it with the Starlight bathroom light, a practical LED light that fits neatly into the top of the mirror.

Extra Columns

With its straightforward design and up to thirteen different finishes, Extra side, top and column units are the perfect addition to any bathroom where a little extra space is needed.

Toilets & Bidets

Victoria toilets and bidets have been redesigned with modernity in mind, prioritising comfort and hygiene with a series of subtle but significant improvements.

New compact back to wall design

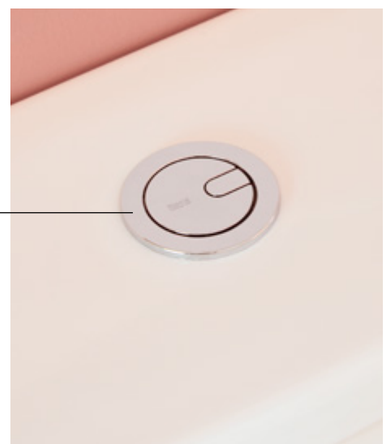
Soft close seat and lid

Bowl height increased from 38 to standard 40 cm.

New design to make installation quick and easy

New front bowl design with Roca Rimless®

Cistern capacity of 4 or 2 litres of water



Close-coupled Roca Rimless® WC

Compact back to wall close-coupled Roca Rimless® WC

Wall-hung Roca Rimless® WC

Single floorstanding Roca Rimless® WC

Complete Your Space

Upgrade your toilet with a compatible smart toilet solution.

Multiclean® M3

With the Multiclean® M-Series, today's technology is within your reach. A simple installation with a sleek design, Multiclean® M3 is the opportunity to turn your standard Victoria toilet into a hot water shower toilet with rear and front washing features.

Faucets

The Victoria Plus range of faucets has been updated to meet different needs and to offer versatility in both bathrooms and kitchens.

Available in up to four different heights: S, M, L and XL.

27Ø mm ceramic cartridge for a soft, smooth and precise operation.

Flow limiter reducing water consumption to 5 litres per minute.

Cold Start technology to avoid unnecessary use of boiler.

Low noise level for maximum comfort.

Ergonomic handle

Exclusive Roca Evershine coating for easy cleaning and a longlasting shine

Optimal height and spout length for greater user comfort

Increased height

Basin mixers solutions

S-Size M-Size XL-Size

L-Size

Bidet mixers solutions

Bath and shower mixers solutions

Kitchen mixers solutions

The Victoria range of shower solutions is characterised by a new, streamlined design that enhances the visual appeal of your bathroom.

Shower & Bath Enclosures

Whether you have a traditional or modern bathroom, the neutral design of Victoria's shower enclosures fits a wide range of configurations offering a selection of sliding, swing or folding doors.

The Victoria walk-in shower enclosure features a height 2000 mm, 8 mm glass thickness and a stylish profile finish in either glossy silver or brushed matt black. Additionally, it comes with the exclusive Maxiclean® solution to repel water, prevent the buildup of limescale and dirt, making cleaning a breeze.

Maxiclean®
water-repelling to help prevent build up of limescale, salt and dirt.

Complete Your Space

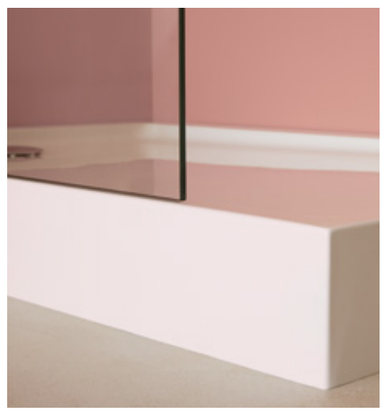
Choose elements from different collections to match your shower or bath enclosure.

Granada shower tray

Ideal for contemporary bathrooms, this minimalist collection of acrylic shower trays come in a range of sizes and two shapes — square and rectangular. Paired with Victoria shower enclosures, they come together to form the perfect shower space.

Contesa bath

This collection stands out for its graceful design and the understated quality of its finish. Boasting refined lines where functionality and elegance coexist, the Contesa bath sits in perfect harmony with the Victoria collection.



Accessories

Small details can greatly improve your bathroom's form and function. Victoria's accessories collection now features a contemporary redesign and is available in both chrome and matt black.

Robe hook: two models in chrome and black finish.

Shelf: one model in chrome and black finish.

Soap dispenser: two models in chrome and black finish.

Towel rail: four models in chrome and black finish.

Tumbler: two models in chrome and black finish.

Toilet brush: One dual model (wall mounted and floorstanding) in chrome and black finish.

Toilet roll holder: two models in chrome and black finish.

Public Area

The Victoria collection offers durability, safety features, and functionality, making it ideal for public spaces. Its modern design made with robust materials will boost the aesthetic appeal of your interior while maintaining resilience in busy places.

Washbasins with a pedestal or wall-hung options are both popular choices for our applications in public spaces. The smooth, user-friendly, and functional design helps make cleaning easier.

Wall-hung basin

Optional pedestals for wall-hung basin

Sleek, ergonomic and functional design.

Compatible with pedestals to conceal plumbing.

Same measurements as previous model, so you can use same holes to install new Victoria washbasin.

New compact washbasin (45 cm) ideal for small spaces.

The new Victoria close-coupled, single floorstanding and wall-hung toilets feature a Roca Rimless® bowl ensuring superior hygiene and easy maintenance.

Close-coupled
Roca Rimless® WC

Compact back to wall close-coupled Roca Rimless® WC

Wall-hung Roca Rimless® WC

Single floorstanding Roca Rimless® WC

Complete Your Space

Choose a stylish flush plate to match your toilet

PL1 Dual (One)

PL1 Dual (One) flush plate. Designed for easy installation, this compact and slim design seamlessly blends efficiency and technology and ensures optimal performance. Compatible with all Roca toilets, this flush plate comes in a variety of finishes to suit any aesthetic preference.

Our contribution to a more sustainable future for all

Our commitment to sustainable growth and development prioritises the wellbeing of people and the planet. This commitment is reflected in our efforts to foster strong societal relationships and support communities, as well as initiatives in decarbonisation, eco-design and circularity. We create high-quality, durable products by considering their entire lifecycle, from carefully selected materials to optimised transport methods. Our aim is to combine the needs of society with environmental responsibility to deliver solutions that benefit everyone.

↓50% CO_2 emissions*

↓57% Energy intensity*

31,500 Photovoltaic panels**

15,000 MWh Self-generated renewable energy per year**

↓53% Water consumption*

↓59% Water usage intensity*

↓50% Generated waste*

↓59% Waste generation intensity*

69% Recycled or reused waste**

Products

Dual-flush mechanism. Dual flush cisterns offer adaptable water use, ensuring efficiency for different flushing requirements while reducing overall water consumption.

Smart shower. Smart shower solutions allow programmable shower options and monitor water usage to encourage responsible and sustainable use.

W+W. Integrating the washbasin and toilet into a single piece, this internationally acclaimed design reuses water from the washbasin to flush the toilet.

Certificates. Many of our products are made from FSC®–certified wood.

Our water-using products carry the Unified Water Label water efficiency labelling system to help consumers understand the water and energy use in these products.

Technologies

Cold Start. Cold Start technology prevents unnecessary boiler activation by defaulting to a cold water start position. This innovation saves energy and reduces emissions released into the atmosphere.

Aerators. Faucet spouts with aerators that mix air with water help to reduce the flow rate while maintaining the same functionality and comfort.

Thermostatic faucets and fittings. Quick Reaction® technology delivers desired temperatures rapidly and an eco-stop button contribute to water conservation in showers.

Materials

Stonex®. An improved formula for Stonex® baths uses recycled PET bottles, reducing the carbon footprint by up to 25%.

Initiatives

Pioneering sustainable ceramics
Our recent partnership with Keramischer Ofenbau marks a significant step towards sustainability as we launched the world's first electric tunnel kiln for the production of sanitaryware. This pioneering initiative positions us as a global leader in the operation of a net-zero sanitaryware manufacturing facility, setting a new standard for the industry.
Through collaboration and innovative technology, we aim to lead the way to a sustainable future for the ceramics industry.

We Are Water

For over a decade, the We Are Water Foundation has promoted global hygiene and sustainable water management, improving access to clean water and sanitation in disadvantaged regions while raising awareness and providing training.

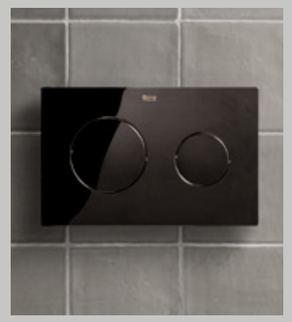
Commitment

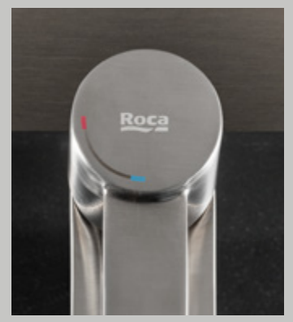
Sustainable and Ethical Commitment
Roca Group is committed to implementing responsible business practices that prioritise environmental protection, social responsibility and ethical behaviour.

EcoVadis Platinum Medal recognises Roca Group's outstanding sustainability performance.

As a proud member of the **United Nations Global Compact**, sustainability forms an integral part of our commitment and we work in line with the targets of the **Sustainable Development Goals**.

* Data from 2018-2023
** Data from 2023





Roca is a family-owned company dedicated to the design, manufacturing, and sale of bathroom solutions for architecture, construction, and interior design. Founded in Barcelona in 1917, it combines tradition and knowledge with a passion for innovation and respect for the environment.

With sustainability as a key element in all its processes and a commitment to ensure a better planet for future generations, Roca is present in 170 countries, operating 78 factories across the five continents with more than 20,000 employees.
